III. The Governor General in Council is pleased, under Section 17 of the said Act, to make the following Rules, determining the officers by whom, the form in which, and the terms and conditions on and subject to which, licenses shall be granted :—

RULES.

Transport.

2. No arms, or ammunition, or Military stores shall be transported in any part of the Territories of Mysore without a license in Form I appended to these Rules. The license will be granted by the Magistrate of the District. If the articles are to be consigned to a place beyond the jurisdiction of the officer granting the license, the consent of the Magistrate of the District to which the consignment is made must be obtained before the license is issued. Such consent may be obtained by the person applying for the license, or the District Magistrate, to whom application for the license is made, may forward the proposed license to the officer whose consent is required, and on receiving reply should either issue the license to the applicant, or inform him that his application for a license to transport arms, &c., had been refused.

3. Persons lawfully entitled to possess arms, or to go armed, are permitted to transport, in any part of the Territories of Mysore, arms or ammunition in reasonable quantities for their own use. Any person abusing this exemption and transporting such articles otherwise than in reasonable quantities for his own use, will be held to have contravened this rule, and will, on conviction, become liable to the penalties under Sections 18 and 19.

4. A license to transport arms or ammunition, or military stores is void if the consignment breaks bulk at any place short of the District for which it may be granted. A license to transport shall ordinarily not be made valid for more than twice the period actually required for the conveyance of the articles to their destination by the intended route.

5. Persons desirous of transporting arms, ammunition, or military stores must apply in writing to the officer authorized to grant transport licenses from the place of despatch. The application must specify—

(*a*)—the place to which the articles are to be transported, the route of transport, and the probable time occupied in the journey ;

(*b*)—the quantity, description, average price, and the purpose of each kind of arms or ammunition ; or

(*c*)—whether the applicant desires that the officer to whom he applies should obtain the consent of the Magistrate of the place of consignment (if the applicant has obtained such consent, the evidence of such consent must be produced).

6. Persons transporting arms, ammunition, or military stores under a license must write legibly on the cases or packages containing such articles an account of their contents.

7. Within six days of the articles reaching their destination the consignee must deliver the transport license to the Magistrate of the District. The officer to whom the transport license shall be delivered must satisfy himself that the articles transported to his District correspond with the entries in the pass, and that any deficiency is properly accounted for.

Manufacture and Sale.

8. Licenses to manufacture, convert, keep and sell arms or ammunition or military stores may be granted by the Magistrate of the District. They shall be in Forms II and III appended to these Rules. The fee payable in stamps shall be twenty rupees in respect of licenses to manufacture and sell, &c., and ten rupees in respect of licenses to keep and sell, &c. Every license-holder under this rule shall keep, in such form as the Chief Commissioner may from time to time direct, a record and account of all stock, and of all sales of arms and ammunition or sulphur, which he may keep or sell. He shall exhibit his stock and his record, or accounts of stock and sales to any Magistrate, or to any Police Officer not below the rank of Inspector. Magistrates and all Police Officers not below the rank of Inspector are hereby empowered to enter and inspect any premises within their several jurisdictions in which arms or ammunition or sulphur are manufactured or kept, and to examine the stock and accounts of receipts and sales of arms, ammunition and military stores. Any person licensed to sell arms and ammunition shall affix a board on a conspicuous part of his shop, or usual place of business, and shall cause to be painted thereon in large letters in English, or in the vernacular of the district, his name and the words "licensed to manufacture," or "licensed to deal in arms, ammunition, and military stores,"

as the case may be. He shall also have a copy of section 28 of the Indian Arms Act posted up, in the vernacular of the district or in English, on some conspicuous part of his usual place of business.

Possession of Arms and going armed.

9. Licenses to possess cannon shall not be granted, save under the special order of the Governor General in Council, certified under the signature of the Secretary to the Government of India in the Foreign Department. A copy of such license so certified, must be sent immediately on its issue to the District Magistrate of the place where the cannon is to be kept.

10. Licenses to possess arms and ammunition in reasonable quantities and to go armed for purposes of sport, of protection, or of display, may be granted by the Magistrate of the District in Form IV. Such licenses shall be liable to a fee of eight annas for each weapon in disarmed districts, and to a fee of four annas for each weapon in districts which have not been disarmed. Such a license will authorize its holder to carry the arms described in the license on occasions when they may be reasonably required for the purposes named in the license. But the holder, unless specially authorized by the Magistrate, must not go armed in railway carriages, to fairs, religious processions, or other public assemblages. Licenses granted under this rule shall, on countersignature by the Commissioner of the Division, or other officer authorized in this regard by the Chief Commissioner where there are no Commissioners, be valid for all the districts of the Territories of Mysore.

11. The Magistrate of the District may grant a license in Form V for a journey, specifying the direction of the journey and the period it will occupy. Such license will be valid in other jurisdictions only for such journey and for such period, and will be liable to a fee of four annas for each weapon. Holders of licenses under this rule, unless specially authorized by the officer granting the licenses, must not go armed in railway carriages, to fairs, religious processions, or other public assemblies.

12. Licenses to *possess* fire-arms or ammunition or military stores in districts which have not been disarmed may be granted in Form VI without fee. Such licenses will not authorize the holders to go armed or to carry arms. In districts which have not been disarmed, as well as in disarmed districts, licenses to possess and carry arms (Form IV) will be liable to fees as stated in Rule 10.

13. Licenses for possession of arms and ammunition may be granted in Form VII without fee, and for a term of five years, to persons who require arms for the destruction of wild animals which do injury to human beings, cattle, or crops. Such license will be valid only in or on the immediate confines of the district for which it is granted. It will be subject to the conditions that the license and the weapon it covers is shown once a year, between the 15th November and the 31st December, to the nearest Magistrate; that the weapon becomes confiscated to Government directly it is sold or seized in execution of any debt ; and that such weapon is carried only on occasions when it is to be used *bona fide* for the destruction of wild animals. Holders of licenses under this rule must not go armed in railway carriages, to fairs, religious processions, or other public assemblages.

General.

14. The fees leviable under these rules shall be taken in the shape of " impressed stamps." Ordinarily the applications for licenses or renewals of licenses shall be written on " impressed stamps " of value equal to the amount of fee leviable in respect of such licenses or renewals ; and the licenses will be issued on plain paper. But when the licenses themselves are written or printed on " impressed stamps," the applications may be on plain paper. When an application for a license is written on an "impressed stamp," and the license is refused, the value of the stamp will be refunded to the applicant.

15. Applications for licenses in respect of which no fee is leviable, or regarding licenses on which the full fee has been paid, shall be considered to be applications within meaning of Schedule II, Article 1, Clause (*a*) of "the Court Fees Act, 1870", and shall bear a court fee stamp of one anna.

16. All licenses under Rules 8 and 10 shall expire on the 31st December of the year for which they may be issued ; licenses under rule 13 shall expire on the 31st December of the 5th year of their currency. But the currency of a license may be renewed, previous to its expiration, on payment of a second fee by the same authority that granted it.

17. All licenses shall be given and held subject to the conditions endorsed on the reverse and subject to these rules, and subject to the provisions of the Act. Licenses under rules 10 and 13 may be granted, subject to the observance of a close season in the pursuit of game birds or animals that do not injure either men, or cattle, or crops. The limits of the close season will be decided by the Chief Commissioner of Mysore, and the condition regarding such close season, if imposed, shall be endorsed on the reverse of the license.

18. Any person holding a license, or acting under a license, granted in accordance with these rules, shall be bound to produce the same, when called upon to do so by any Magistrate or by any Police Officer in charge of a Police Station, or by any Police Officer of higher rank.

19. Licenses granted for use within a district shall be written or printed in the vernacular language of such district. Licenses for use beyond the district where they may be granted shall be in English and may be in the vernacular as well.

20. A license granted under these rules will cover only the weapons or other articles and the persons named therein, unless the officer granting a license under Rule 10 or 11 deems it expe dient to include the retainers of any person named in the license ; in such case the entry on the face of the license shall declare how many and whose retainers are covered by the license.

21. Any officer empowered to grant a license under these rules may, at his discretion, refuse to grant, to renew, or to consent to the issue of, a license, or may refer any application for the orders of the Chief Commissioner.

22. All Magistrates or other authorities acting under these rules will perform their duties, subject to the control of their executive superiors and of the Chief Commissioner.

Note submitted to the Dewan

The Swachar form of clothing matter, Chitradurg requested that permission shd be obtained from the Br. Govt to enable him to travel in British India as an exempted person (under the Arms Act). He was informed in Dec 1900 that he should himself apply to the Br Resident.

The Secretary Mr S. Iyengar noticed a Paragraph in a paper called the Mysore Standard that the Govt ought to have procured the exemption & called for the papers & precedents.
